Motorhead

Primal Scream

Sunrise, wrong side of another day
Sky high six thousand miles away
Don't know how long I've been awake
Wound up in an amazin' stateSunrise, wrong side of another day
Sky high six thousand miles away
Don't know how long I've been awake
Wound up in an amazin' stateI can't get enough
You know it's righteous stuff
Goes up like prices at Christmas, thisMotorhead, you can call me
Motorhead, all rightBrained out, total amnesia
Get some mental anesthesia
Don't move, I'll shut the door, kill the lights
If I can't be wrong I must be rightAll good clean fun
Have another stick of gum
Man, you look better already, aahMotorhead, remember me now
Motorhead, all right
(Fuck)Fourth day, five day marathon
We're movin' like a parallelogram
Don't move, the mornin's not a pretty sight
I guess I'll see you all on the iceI should be tired
All I am is wired
Ain't felt this good for an hourMotorhead, remember me now
Motorhead, all right
