

Wandering Star

Portishead

Please, could you stay a while to share my grief?

For it's such a lovely day

To have to always feel this way

And the time that I will suffer less

Is when I never have to wake

Wandering stars

For whom it is reserved

The blackness of darkness, forever

Wandering stars

For whom it is preserved

The blackness of darkness, forever

Those who have seen the needles eye now tread

Like a husk from which all that was now has fled

And the masks that the monsters wear

To feed upon their prey

Wandering stars

For whom it is reserved

The blackness of darkness, forever

Wandering stars

For whom it is preserved

The blackness of darkness, forever

Doubled up inside

Take a while to shed my grief

Always doubled up inside

Taunted, cruel

Wandering stars

For whom it is reserved

The blackness of darkness, forever

Wandering stars

For whom it is preserved

The blackness of darkness, forever
