

# Two Million Voices (John Peel Session)

## Angelic Upstarts

2 million voices, can you hear 2 million voices  
2 million voices, can u hear 2 million voices  
2 million voices! 2 million voices shout at the street can u hear the cry theres no retreat  
look at there mouths there open wide  
shout for an answer trying to survive 2 million voices, can u hear 2 million voices  
2 million voices, can u hear 2 million voices  
2 million voices! we'll never give up  
no need to surrender  
we wanna work for a future  
give us a chance we wanna life  
never to return at dawn! [2x]  
2 million voices, can u hear 2 million voices  
2 million voices can you hear 2 million voices  
2 million voices! 2 million voices shout at the street  
can u hear the cry theres no retreat  
look at there mouths there open wide  
shout for an answer trying to survive [2x]  
2 million voices can u hear 2 million voices  
2 million voices can u hear 2 million voices  
2 million voices!
