

# Look At Granny Run Run

Ry Cooder

Said, "Look at Granny run, run  
Grandpa runnin' close behind  
Look at Granny run, run  
There's somethin' on Grand-Daddy's mind" Because he went to the doctor  
Got a brand new pill  
The doctor said  
"Son, you ain't over the hill"  
He can't sit still  
Great, gosh, Almighty, won't you?" Look at Granny run, run  
(Granny, you better run)  
Faster than a Greyhound bus  
(Somebody's callin' you) Look at Granny run, run  
(Granny, you better run)  
Now Grandpa is gettin' serious  
(Somebody's callin' you) Well, he woke up  
In the middle of the night  
Said, "Look a here baby  
Everything's alright"  
It was such a sight  
Great, gosh, Almighty, won't ya? Well, look at Granny run, run  
(Granny, you better run)  
Grandpa's runnin' closer now  
(Somebody's callin' you) No matter how she run, run  
(Granny, you better run)  
He gonna catch her anyhow  
(Somebody's callin' you) Oh well, he jumped up  
And he began to shout  
And Granny come a runnin'  
With her mouth poked out He said, "Look here, pretty mama  
Stop your carryin' on  
All I want's a little lovin' just before I'm gone  
Ain't done nothin' wrong"  
Oh hear my Lord, singin',  
Great, gosh, Almighty, won't ya? Granny, you better run  
Somebody's callin' you Look at Granny run, run  
(Somebody's callin' you)  
Granny run, run  
(Somebody's callin' you) Won't you look her run, run?  
(Somebody's callin' you)

Granny run, run  
(Somebody's callin' you)Granny run, run  
(Somebody's callin' you)  
Look at Granny run, run  
(Somebody's callin' you)(Somebody's callin' you)  
Look at Granny run, run  
(Somebody's callin' you)Well, I feel like my time ain't  
(Long)  
Time ain't  
(Long)  
Time ain't  
(Long)
