Bad Girl

Sonny

Verse1
Did I tell you that you took the breath right out of me
I kinda felt the world get colder on my side
But every time I glance at her it's like she's seducing me
Can you tell me what your doing to my mindPreChorus1
I just want you
To want me just as much as I want you
Girl
Don't waste no time
Maybe I should go about you being mineChorus
She's a rude girl get off me
Bad girl bad girl
She's so dirty
She's a bad girl
Trying to get thru my heart
Tryna get me caught up
No girl
Bad girl
And now I know I won't let ya
Get that close to my heartVerse2
Girl you got me in a trance your manipulating me
I don't see you as the beauty like before
All I want to give you girl is just all the best of me
Now i'm thinking I should go and change my mindSo come on why you think we playing hide and seek
She told me that's the way that she lives her life
NowPreChorus2
Why waste my time
If your never going to give me peace of mind
Oh girl
Why should I try
I don't think I want you to be mine this timeBridge
Girl
Why do you try
To break me this time
With lust in your eyes
Uh I can't deny
You are so fine girl
You blow my mind
But never my pride
