Bring Me Back

Seeker Lover Keeper

I remember when our time was always spent
Dreaming of tomorrow, the way that it would be
We all had our hopes, we all made our plans
Somewhere along the way we lost all clarity
Nobody meant to change
We never thought we'd end up this far way

Bring me back to the innocence of You
(Bring me back, bring me back)
Bring me back to the first love I ever knew
(Bring me back, bring me back)

Back to the way that it was when I was young
I'm tired of the mess that I've become
I want to see the world the way You do
So bring me back to You

(Bring me back, bring me back, bring me back to You)
Back to You
(Bring me back, bring me back, bring me back to You)

And as the days go by I wish I could stop time
'Cause my little boy and girl, their eyes are on the world
And what they've yet to learn and what they've yet to see
Are the very things that jaded me and left me empty
I never meant to change, no, I never meant to stray so far away

So bring me back to the innocence of You
(Bring me back, bring me back)
Bring me back to the first love I ever knew
(Bring me back, bring me back)

Back to the way that it was when I was young
I'm tired of the mess that I've become
I want to see the world the way You do

Open my eyes, Lord, and help me to see
The plans that You have for me
And open my heart, fill it up, fill it up

And hold me, Lord, hold me

Bring me back to the innocence of You
(Bring me back, bring me back)
Bring me back to the first love I ever knew
(Bring me back, bring me back)

Back to the way that it was when I was young
I'm tired of the mess that I've become
I want to see the world the way You do
So bring me back to You

(Bring me back, bring me back, bring me back to You)
Back to You
(Bring me back, bring me back, bring me back to You)

I remember when our time was always spent
Dreaming of tomorrow
