

Love Letters

[Sinead O'Connor](#)

Love letters straight
From your heart
Keep us so near
While apart I'm not alone
In the night
When I can have all the love
That you write I memorize
Every line
And I kiss the name
That you sign And darling then, I read again
Right from the start
Love letters straight
From your heart I memorize
Every line
And I kiss the name
That you sign And darling then, I read again
Right from the start
Love letters straight
From your heart
