

Ain't No Good

Cake

She's gonna hand you a red headed Gabriel
Coming from the bar in a plastic tie
He's gonna swing from the tree of life
He's gonna try to sell you on a great big lie
But when you speak to her, her eyes light up
The music spills right into your cup
The minstrels play and the waitress brings ice
There are pies on a carousel have a slice
But watch out, she ain't no good for you
He's gonna spin like the tractor pull
She'll sit back when he tells his tale
He's gonna yell when he drinks his beer
She'll sit back and drink ginger ale
But when you speak to her, her eyes light up
The music spills right into your cup
It's so abrupt and it's so concise
There are pies on a carousel have a slice

But watch out, she ain't no good for you
I say watch out, she ain't no good for you
She'd like to put you in her zoo
Right between the canaries and the cockatoos
She'll pull out your feathers for her brand new hat
And when she's done that, she'll feed you to her cat
So watch out, she ain't no good for you
(Watch out, watch out, watch out, watch out)
Watch out, she ain't no good for you
(Watch out, watch out, watch out, watch out)
Watch out, she ain't no good for you

Aao

Yeah

Alright
