

No Brakes

Ty Herndon

You won't know where we're going 'til we get there

 But baby you can dream while I drive

 Just tell me you'd go with me anywhere

Take my hand and we'll wave goodbyeAs this engine whines across the danger line

 Down a road daredevil straight

 There's no stopping us, southbound sun up

 In love too wild to wait

Oh, hearts wide open, no brakesThere's a hunger for you running through me

 An endless unbeatable thrill

 And the spirit of life you give to me

So restless, so reckless and realAs this engine whines across the danger line

 Down a road daredevil straight

 There's no stopping us, southbound sun up

 In love too wild to wait

Oh, hearts wide open, no brakesYou feel that lightning and thunder

 Running through my veins

A world of wonder still untamedAs this engine whines across the danger line

 Down a road daredevil straight

 There's no stopping us, southbound sun up

 In love too wild to wait

Oh, hearts wide open, no brakes

 Hearts wide open, no brakes
