

Rammstein

Rammstein

Rammstein
A body burns
Rammstein
Rancid flesh fills the airRammstein
A child dies
Rammstein
The daylight shinesRammstein
A sea of flames
Rammstein
Blood congeals on the concreteRammstein
Mothers' scream
Rammstein
The daylight shinesRammstein
A massive grave
Rammstein
There's no escapeRammstein
Not a bird will sing
Rammstein
And the daylight shines
