

Charlie Brown (live from Glastonbury 2011)

Coldplay

Stole a key
Took a car downtown where the lost boys meet
Took a car downtown and took what they offered me
To set me free I saw the lights go down at the end of the scene
I saw the lights go down and standing in front of me In my scarecrow dreams
When they smashed my heart into smithereens
Be a bright red rose come bursting the concrete
Be the cartoon heart Light a fire, light a spark
Light a fire, a flame in my heart We'll run wild oh
We'll be glowing in the dark
We'll be glowing in the dark All the boys, all the girls
All that matters in the world
All the boys, all the girls
All that matters that occurs
All the highs, all the lows
As the room is spinning, oh We'll run wild
We'll be glowing in the dark Living innocent wild
We'll be glowing in the dark
