

# Ain't Nothing Wrong With That

## Robert Randolph & The Family Band

Whether it's rock and roll or old soul, it don't matter  
Disco, calypso, it don't matter  
Suit and tie or tie-dye, it don't matter  
Snake skins, Timberlands, it don't matter Tight fade or long braid, it don't matter  
Red head or brunette, it don't matter  
Break dance, slam dance, it don't matter  
Do the jerk until it hurts(I'm tellin' you)  
Ain't nothin' wrong with that  
(I'm tellin' you)  
Ain't nothin' wrong with that  
(I'm tellin' you)  
Ain't nothin' wrong with that  
Hey!East coast or west coast, it don't matter  
Down south or up north, it don't matter  
Hollywood or in the hood, it don't matter  
Either way, it's all good, it don't matterBlock party, frat party, it don't matter  
Backyard or boulevard, it don't matter  
Red, yellow, black or white, it don't matter  
We all gettin' down tonight(I'm tellin' you)  
Ain't nothin' wrong with that  
(I'm tellin' you)  
Ain't nothin' wrong with that  
(I'm tellin' you)  
Ain't nothin' wrong with that  
(I'm tellin' you)  
Ain't nothin' wrong with thatShake it, shake it, shake it  
Shake it, shake it, shake it  
Shake it, shake it, shake it  
(Like this?)  
Shake it, shake it, shake itShake it, shake it, shake it  
Shake it, shake it, shake it  
Shake it, shake it, shake it  
Shake it, shake it, shake itI don't know but I've been told  
When the music gets down in your soul  
It makes you want to lose control  
And thereAin't nothin' wrong with that  
(I'm tellin' you)  
Ain't nothin' wrong with that  
(I'm tellin' you)

Ain't nothin' wrong with that  
(Go 'head and move!)  
Ain't nothin' wrong with that  
(Ain't nothin' wrong with that)Ain't nothin' wrong with that  
(Hollywood or in the hood, I'm tellin' you)  
Ain't nothin' wrong with that  
(Suit and tie or tie-dye, I'm tellin' you)  
Ain't nothin' wrong(G-g-get down! Yeah!)  
It don't matter  
(Get loose!)  
It don't matter  
(Let it go)  
It don't matter  
(Let it go)  
It don't matter(Let it go)  
If you wanna let it go, it don't matter  
(Let it go)  
Just tryin' to let you know that it don't matter
