Lay Down (Candles In The Rain)

Melanie

Lay down, lay down, lay it all down
Let your white birds smile
At the ones who stand and frownLay down, lay down, lay it all down
Let your white birds smile
At the ones who stand and frownWe were so close, there was no room
We bled inside each other's wounds
We all had caught the same disease
And we all sang the songs of peaceLay down, lay down, lay it all down
Let your white birds smile
At the ones who stand and frownLay down, lay down, lay it all down
Let your white birds smile
At the ones who stand and frownSo raise candles high
'Cause if you don't we could stay black against the night
Oh, raise them higher again
And if you do we could stay dry against the rainLay down, lay down, lay it all down
Let your white birds smile
At the ones who stand and frownLay down, lay down, lay it all down
Let your white birds smile
At the ones who stand and frownWe were so close, there was no room
We bled inside each other's wounds
We all had caught the same disease
And we all sang the songs of peaceSome came to sing, some came to pray
Some came to keep the dark awaySo raise candles high
'Cause if you don't we could stay black against the sky
Oh, oh, raise them higher again
And if you do we could stay dry against the rainLay down, lay down, lay it all down
Let your white birds smile
At the ones who stand and frownLay down, lay down, lay it all down
Let your white birds smile
At the ones who stand and frownLay down, lay down, lay it all down
Let your white birds smile
At the ones who stand and frownLay down, lay down, lay it all down
Let your white birds smile
At the ones who stand and frown
