Moon Eclipsed the Sun

Evolfo

I'm no fool
See through your grin
Knocking at your door
Now let me in
Oh, I tried
Yes, I tried

You're not bad
But you're not good
You decided that you're misunderstood
And I ain't
Gonna try

Ain't gonna be no sh-na-na na-na
Or even sha-na a na-na
When the moon eclipsed the sun
Well then my baby gets one run

Long gone, long gone
Stepped away with that bed on a lawn
With that look
In your eye

I don't care what the doctor said
I can't stop this buzz going round in my head
And someone's
Gotta die

Ain't gonna be no sh-na-na na-na
Or even sha-na a na-na
When the moon eclipsed the sun
Well then my baby is long gone

Sha-na-na na-na
Or even sha-na a na-na
When the moon eclipsed the sun
Well then my baby is undone

How can I know how?
Why can a day?

She ran away
And now my baby is long gone
