

# Tell Me What You See

## Guerilla Maab

If you let me take your heart I will prove to you  
We will never be apart if I'm part of you  
Open up your eyes now, tell me what you see  
It is no surprise now, what you see is me

Big and black the clouds may be, time will pass away  
If you put your trust in me I'll make bright your day  
Look into these eyes now, tell me what you see  
Don't you realise now, what you see is me  
Tell me what you see

Listen to me one more time, how can I get through?  
Can't you try to see that I'm trying to get to you?  
Open up your eyes now, tell me what you see  
It is no surprise now, what you see is me  
Tell me what you see

Listen to me one more time, how can I get through?  
Can't you try to see that I'm trying to get to you?  
Open up your eyes now, tell me what you see  
It is no surprise now, what you see is me
