

# Mockingbird

Chase Coy

Summer arrived on the back of a mockingbird.  
It sang a sweet melody, but couldn't seem to find the right words.  
I don't know if you've heard, but it's all over town,  
Yeah they're buzzing about it now.  
I was singing alone when the mockingbird came to me,  
Perched on my windowsill, and hummed along quietly.  
But before long she was singing along, and she said, yeah she said: "I've been waiting so long for these words to  
come out,  
It's practically all I've been thinking about.  
So thank you for finding the words I couldn't find on my own,  
Now I'm not alone." Autumn was on it's way and summer was on it's way out;  
The mockingbird told me: "I change with the seasons,"  
And so she was leaving town in a few days now.  
We said our goodbyes, and I secretly wished for more time,  
But the seasons are merciless.  
For a while we both stood in silence  
Until she said: "I've been waiting so long for these words to come out,  
It's practically all I've been thinking about.  
So thank you for finding the words I couldn't find on my own,  
Now I'm not alone."
