

Pot Roast and Kisses

The Reverend Peyton's Big Damn Band

I catch the mice
She does the dishes
I'm spoiled rotten
By my MrsPot roast and kisses
So deliciousShe's at the front door
With some kisses
I've been gone a day just
Catchin' fishesPot roast and kisses
So delicious
I smell somethin' sweet cookin' up
In the oven
I smell somethin' sweet cookin' up
But there's nothin' like her lovin'
So deliciousI'm gettin' hungry
Doin' heavy liftin'
Crazy like a longhorn
She says, "Get outta my kitchen"Pot roast and kisses
So deliciousI got a Genie
Just grantin' wishes
Like I won the lottery
By my missesPot roast and kisses
So delicious
I smell somethin" sweet cookin' up
In the oven
I smell somethin sweet cookin' up
But there's nothin' like her lovin'
So deliciousI catch the mice
She does the dishes
I'm spoiled rotten
By my MrsPot roast and kisses
So deliciousShe's at the front door
With some kisses
I've been gone a day just
Catchin' fishesPot roast and kisses
So deliciousI smell somethin" sweet cookin' up
In the oven
I smell somethin sweet cookin' up
But there's nothin' like her lovin'
So deliciousPot roast and kisses

So deliciousPot roast and kisses

So delicious
