

Strong Enough To Save

Tenth Avenue North

You fought but you were just too weak
So you lost all the things you tried to keep

Now you're on your knees

You're on your knees

But wait everything can change

In a moment's time

You don't have to be afraid

'Cause fear is just a lie

Open up your eyes

And He'll break open the skies to save

Those who cry out His name

The one the wind and waves obey

Is strong enough to save you

Look now is not too late

Lift up your head

Let the rain fall on your face

You're not far from grace

You're not too far from grace

And He'll break open the skies to save

Those who cry out His name

The one the wind and waves obey

Is strong enough to save you

Break open the skies to save

Those who cry out His name

The one the wind and waves obey

Is strong enough to save you

I know the weight of this world can take you down like gravity

I know the current of yourself can take you out, out to sea

But hold on

Hold on

And He'll break open the skies to save

Those who cry out His name

The one the wind and waves obey

Is strong enough to save you

Break open the skies to save

Those who cry out His name

The one the wind and waves obey

Is strong enough to save you
