Always, Forever

Cryptal Darkness

i stand alone in the darkness
the winter of my life came so fast
memories go back to childhood
to days i still recall
oh, how happy i was then
there was no sorrow, there was no pain
walking through the green fields
sunshine in my eyes
i'm still there everywhere
i'm the dust in the wind
i'm the star in the northern sky
never stayed anywhere
i'm the wind in the trees
would you wait for me forever
i'm still there everywhere
i'm the dust in the wind
i'm the star in the northern sky
never stayed anywhere
i'm the wind in the trees
would you wait for me forever
would you wait for me forever
will you wait for me forever
