Shake 'Em Loose Tonight

Rumspringa

Oh well now
Father said to son, you know your growinâ€™
You've grown into a fair child
Oh well now
Mother said to daughter, girl youâ€™re showinâ€™
Oh how to be a real wild child
Oh well I
Cant be satisfied, couldnâ€™t be more right
Blues is gonna move it, shake 'em loose tonight

I was singin'â€¦
Oooh right right right right right

Brothers and sisters wonâ€™t you gather around,
No need for tickets weâ€™re from the same town

Singin'â€¦
Oooh right right right right right

Oooh, oooh hoooo
Oooh, oooh hoooo

Father said to son, you know your growinâ€™

Mother said to daughter, girl youâ€™re showinâ€™
