The Chosen

Unearth

Hell yeah
We are the pulse of the world
Yeah
Our eys have grown so wide
Don`t hold back
Keep your eyes on the prize
Always Will
Yeah
Toe the lineWe We are the chosen
We we are the pulse of the world
We We are the chosen
We we are the life blood of our timeYeah
A generation on the edge
Yeah
Been down a winding road
Now we side
New eras pride
Determination always wins
Yeah
Strength of mindYeah
Come on
Alwright
Hell yeahWe We are the chosen
We we are the pulse of the world
We We are the chosen
We we are the life blood of our timeWe are the pulse of the world
Yeah
Our eys have grown so wide
Don`t hold back
Keep your eyes on the prize
Always Will
Yeah
Toe the lineWe We are the chosen
We we are the pulse of the world
We We are the chosen
We we are the life blood of our time
