

# The Chosen

## Unearth

Hell yeah  
We are the pulse of the world  
Yeah  
Our eys have grown so wide  
Don`t hold back  
Keep your eyes on the prize  
Always Will  
Yeah  
Toe the lineWe We are the chosen  
We we are the pulse of the world  
We We are the chosen  
We we are the life blood of our timeYeah  
A generation on the edge  
Yeah  
Been down a winding road  
Now we side  
New eras pride  
Determination always wins  
Yeah  
Strength of mindYeah  
Come on  
Alwright  
Hell yeahWe We are the chosen  
We we are the pulse of the world  
We We are the chosen  
We we are the life blood of our timeWe are the pulse of the world  
Yeah  
Our eys have grown so wide  
Don`t hold back  
Keep your eyes on the prize  
Always Will  
Yeah  
Toe the lineWe We are the chosen  
We we are the pulse of the world  
We We are the chosen  
We we are the life blood of our time
