

# Voa

## Paula Fernandes

Razor blade, let it wave  
Shoot them down to their graves, yeah Spread the news for all to hear  
We've come to fight, let's make that clear  
You push too hard, you're gonna fall  
We got fifty million rockers, we're all on guard, yeah! We don't like it  
(Oh, no)  
We can make it stop  
(Oh, yeah)  
We won't take it  
(C'mon)  
Let it rock You in the middle east, you be on your toes  
We're bound to strike, everybody knows  
Just tell your friends, the USSR  
We're gonna, we're gonna crash that party  
'Cause they've gone too far, yeah! We don't like it  
(Oh, no)  
We can make it stop  
(Oh, yeah)  
We won't take it  
(Uh)  
Let it rock When we're together, we're the best  
We think as one, there's no contest  
We've got the power, they know the score  
We'll get so strong there'll be no war Yeah  
We don't like it  
(Oh, no)  
We won't take it  
(Oh, no, no, no, no, no, no, no, no, no)  
We don't like it  
We won't take it  
Yeah VOA, the voice of America  
VOA, the voice of America  
VOA, the voice of America  
VOA, the voice of America, yeah  
Watch it And when I'm talkin', you'd better listen  
Hey
