Stretch

Jason Wade

I'm so lost inside that smile
That I saw on your face today
I'm laying in bed and your face is all I can see
That smile's gonna be the end of meLet's take turns falling asleep and watch each other dream
Or try our very best to stay awake
If tomorrow's gonna try and take you from me
Let's stretch the hours until daybreakYour life is crashing into me
It's making last even if it's make belief
If tonight is all that we're gonna have
Than it's all that is real to me
Let's take turns falling asleep and watch each other dream
Or try our very best to stay awake
If tomorrow's gonna try and take you from me
Let's stretch the hours until daybreak
Let's stretch the hours until daybreakLaying in bed and your face is all I can see
That smile's gonna be the end of me
Let's take turns falling asleep and watch each other dream
Or try our very best to stay awake
If tomorrow's gonna try and take you from me
Let's stretch the hours until daybreak
Let's stretch the hours until daybreak
