

I Wanna Touch U

Def Leppard

I want to touch you
'Til we're stuck like glue
I want to touch you
Yeah I get high on you
I'm on fire over you
And i can't let you go
I can't let you go I got love on the rise and i burn like your fire
Got my eye on the prize, got love in my sights
And i can't let you go
I can't let you go Give me no reasons
Give me no rhymes
Give me that feelin'
All of the time I want to touch you
Till we're stuck like glue
I want to touch you
Yeah, baby, that is true
I want to touch you
Nobody else will do, girl
I want to touch you
Cause a little too much
Could never be enough now, yeah Come on
I get wired on you and i thrill to your touch
Yeah, i-i excite over you, can't stop this landslide of love
No, no, i can't let you go
I can't let you go, oh Give me no reasons
Give me no rhymes
Give me that feelin'
All of the time I want to touch you
Till we're stuck like glue
I want to touch you
Yeah, baby, that is true
I want to touch you
Nobody else will do, no
I want to touch you
Cause a little too much
Could never be enough
Never be enough now Give me no reasons
Give me no rhymes
Give me that feelin'

All of the time I want to touch you
Nobody else will do
I want to touch you
I want to touch you, yeah
I want to touch you
Till we're stuck like glue
I want to touch you
Yeah, baby, that is true
Nobody else but you girl
I want to touch you
Oh, till we get it right
I want to touch you
Yeah, make it last all night
I want to touch you
Baby you excite
I want to touch, touch you
'cause a little too much
Could never be enough, now
