

Crazy As Me (With Brooke Eden)

Granger Smith

You step out the shower, wrapped up in a towel
Take your hairbrush mic, start taking requests
You smile and say baby, do you think that I'm crazy?
I just laugh and say yes Crazy 'bout horses and wrap around porches
Crazy 'bout Strait singing fool hearted memory
Crazy 'bout waking up, four A.M. making love
Then falling right back asleep
Yeah, you're crazy, the same kind of crazy as me We're late for the party
You're back where you started
Changing your clothes for the thirteenth time
I say you look amazing
You say, no I look crazy
I smile and say maybe you're right Crazy 'bout horses and wrap around porches
Crazy 'bout Strait singing fool hearted memory
Crazy 'bout waking up, four A.M. making love
Then falling right back asleep
Yeah, you're crazy, the same kind of crazy as me Ah ooh You give me a kiss in the light of the moon Ah ooh Then
you whisper, you know you're crazy too Crazy 'bout horses and wrap around porches
Crazy 'bout Strait singing damn near anything
Crazy 'bout waking up, four A.M. making love
Then falling right back asleep
Yeah, you're crazy, the same kind of crazy as me
The same kind of crazy as me (ah ooh)
Yeah, baby, you're crazy as me (ah ooh)
The same kind of crazy (the same kind of crazy)
(You're crazy) you're crazy
(You're crazy) you're crazy
(You're crazy as me) ah ooh
Ooh
Hoo
