Indian Summer

Highasakite

Over the rooftops, into the sea
Along the highway like a bumblebee
Over the sandbox, into the woods
I wear my feathers, i am robin hoodI will run like an indian tomorrowInto the ocean and to the shore
I'm riding horses where the wild things grow i am a scare Crow, i am a
thief i wear my feathers, i am robin hoodI will run like an indian tomorrowIm a wild willow, willow for a while
