

# Indian Summer

## Highasakite

Over the rooftops, into the sea  
Along the highway like a bumblebee  
Over the sandbox, into the woods

I wear my feathers, i am robin hood I will run like an indian tomorrow Into the ocean and to the shore  
I'm riding horses where the wild things grow i am a scare Crow, i am a  
thief i wear my feathers, i am robin hood I will run like an indian tomorrow Im a wild willow, willow for a while
