

# The Story of My Life

## Herman's Hermits

Someday I'm gonna write the story of my life  
I'll tell about the night we met  
And how my heart can't forget the way you smiled at me I want the world to know the story of my life  
The moment when your lips met mine  
And that first exciting time I held you close to me The sorrow when our love was breaking up  
The memory of a broken heart  
Then later on the joy of making up  
Never, never more to part There's a one thing left to do before my story's through  
I've got to take you for my wife  
So the story of my life can start and end with you The sorrow when our love was breaking up  
The memory of a broken heart  
Then later on the joy of making up  
Never, never more to part There's a one thing left to do before my story's through  
I've got to take you for my wife  
So the story of my life can start and end  
Can start and end, can start and end with you
