

Still Hurting

[Anna Kendrick](#)

Jamie is over
And Jamie is gone
Jamie's decided it's time to move on
Jamie has new dreams he's building upon
And I'm still hurting Jamie arrived at the end of the line
Jamie's convinced that the problems are mine
Jamie is probably feeling just fine
And I'm still hurting What about lies, Jamie?
What about things that you swore to be true?
What about you, Jamie?
What about you? Jamie is sure something wonderful died
Jamie decides it's his right to decide
Jamie's got secrets he doesn't confide
And I'm still hurting Go and hide and run away
Run away
Run and find something better Go and ride the sun away
Run away
Like it's simple
Like it's right Give me a day, Jamie
Bring back the lies
Hang them back on the wall
Maybe I'd see
How you could be
So certain that we
Had no chance at all Jamie is over
And where can I turn
Covered with scars
I had nothing to earn
Maybe there's somewhere a lesson to learn
But that wouldn't change the fact
That wouldn't speed the time
Once the foundations cracked
And I'm still hurting
