

Waiting

Cake

So we think that we're important
And we think that we make sense
And we think there's something better
On the other side of this fence And you can soak your bread in gravy
You can soak your bread in soup
But the car that you are driving
Doesn't really belong to you So you know you'll always be waiting
Always be waiting for someone else to call Yea, you know you'll always be waiting
Ahh, always be waiting
I say, "Always be waiting"
Haa hoo And you can soak your bread in water
You can soak your bread in wine
It can seem like you are living
Like you're having a real good time And you can do it to your conscience
You can do it all the time
You can do it with a vengeance
In the morning after nine But you know you'll always be waiting
Always be waiting for someone else to call Yea, you know you'll always be waiting, ahh
Always be waiting
I say, "Always waiting"
I say, "Always be waiting", yea
Waiting
