Woman 2 Woman

Urge Overkill

Woman 2 woman, attitude
Well, I'll take my time gettin' over it
Girl blow my mind, there's no controllin' it
Didn't see that sign, it was an accident
Girl say goodbye 'cause don?t empty hands, don't want you no more
You're blowin' me smoke and I don't know why but I'm curious
You give me the blink and now I know why it's so obvious
You're down with the Charlie, you and I, I can't wait
My love is gonna get you straight
Don't listen to him, this ain't no rap
I know the college the girls say this
I know she?s your friend, I saw you two
You know what I'm talkin' about, do you know what?
My oh one, there's no other like a woman, woman, why oh no
I got a woman 2 woman, woman, I got a woman 2 woman, woman
I got a woman 2 woman, woman, I got a woman 2 woman, woman
And I know you saw it too, attitude
You?re just my kind, you?re so mysterious
What?s on your mind, you?re so serious
Girl what?s your sign, Vagittarius?
But that?s not mine, now tell me you don?t want me no more
You're blowin' me smoke and I don't know why but I'm curious
You give me the blink and now I know why it's so obvious
You're down with the Charlie, you and I, I can't wait
My love is gonna get you straight
Oh, if you could see your face
All them dudes down at Humboldt Park
Rex, Angel, they all said you was straight
I was asking about you at Humboldt Park
They all said you was straight, what was I supposed to tell them?
My oh one, there's no other like a woman, woman, why oh no
I got a woman 2 woman, woman
My oh one, there's no other like a woman, woman, why oh no
I got a woman 2 woman, woman, I got a woman 2 woman, woman
I got a woman 2 woman, woman, I got a woman 2 woman, woman
