

# Squeeze Me In

Garth Brooks

Honey I know you got a good job  
Out there making all that dough  
They keep late working that overtime  
And I don't ever see you no more  
Guess your not checking your message machine  
Seem like your never in  
Oh but I got a hunch, if we can just do lunch  
I can get your attention again  
I know you got your schedule and your keeping it tight  
You got something going morning noon and night  
But I got something here I think your gonna like  
Honey can you squeeze me in Who ever said it's a mans world  
Don't know what he's talking about  
You got me working around the clock  
Honey trying to figure you out  
I know time is money  
There's more to life honey  
Than how much you can spend  
You gotta make a little time for the good times  
Honey can you squeeze me in I got it circled in red on the calendar, baby  
You told me that tonight's the night  
I've got the Champaign chilled  
I've got a gourmet meal, soft music and candlelight  
I try to get you on the phone and I get stuck on hold  
I guess you keep getting sidetracked  
I've been faxing you love notes all day long  
I know you got your schedule and your keeping it tight  
You got something going morning noon and night  
But I got something here I think your gonna like  
Honey can you squeeze me in Who ever said it's a mans world  
Sure knows what he's talking about  
You got me working around the clock  
Honey trying to figure you out  
I know time is money  
There's more to life honey  
Than how much you can spend  
You gotta make a little time for the good times  
Honey can you squeeze me in Who ever said it's a mans world  
Don't know what he's talking about

You got me working around the clock  
Honey trying to figure you out  
I know time is money  
There's more to life honey  
Than how much you can spend  
You gotta make a little time for the good times  
Honey can you squeeze me in Let's make a little time for the good times  
Honey can you squeeze me in
