

# Lucky for You

## REO Speedwagon

Lucky, I call you 'cuz that's the way you make me feel  
Love in the air and the wind in my hair is makin' me real  
Look out Lucky there's a mountain in front of you  
And with a little luck we'll see it through What's lucky for me is lucky for you I used to think that luck was just  
another four letter word  
But now that I found you it's the finest one I've ever heard  
Do you see the stars now do you Lucky?  
They're not all that far, now are they Lucky? What's lucky for you, is lucky for me  
And what's lucky for me, is lucky for you
