11 O'Clock Tick Tock

U2

It's cold outside
It gets so hot in here
And the boys and girls collide
To the music in my earHear the children crying
And I know it's time to go
I hear the children crying
Take me homeA painted face
And I know we haven't long
We thought that we have the answers
It was the questions we had wrongHear the children crying
And I know it's time to go
I hear the children crying
Take me homeSay so, say so
Say so, say soSay so, say so
Say so, say so
Say itCall out your name
Call out each name
Call out your name
Call out, you better call out
Call out, call out, call out
