Hard to Love (feat. Jessie Reyez)

Calvin Harris

I don't like to talk, but I love to sing
I don't smoke, but I love to drink
I'm paranoid, I don't miss a thing
But I'm still nice, at least that's what I think
Fall in love, like I'm a freak
But then I pull out, and say "I need freedom, I need freedom"I guess I take it, heartbreaker
A title, I can't shake it, can't fake it
I guess I take it, heartbreaker
A title, I can't shake it, can't fake itBaby, I'd rather be hard to love
Than easy to leave, you should believe me
Haven't you needed me?
I'd rather be hard to love
Than easy to leave, you should believe me
Haven't you needed me?'Course you love me, you don't know me
But I got news for you, I came broken
Ego issues, my head is swollen
I got a million chips on my shoulder
But if you stay despite all I showed you
Maybe you don't need freedom, freedomI guess I take it, heartbreaker
A title, I can't shake it, can't fake it
I guess I take it, heartbreaker
A title, I can't shake it, can't fake itBaby, I'd rather be hard to love
Than easy to leave, you should believe me
Haven't you needed me?
I'd rather be hard to love
Than easy to leave, you should believe me
Haven't you needed me?Go deeper, go deep
I love it when your roots go deep so I know you won't leave
Go deeper, go deep
I love it when your roots go deep so I know you won't leave
Go deeper
I like being ugly, that way if they love me
I know that they love me for real
I like being ugly, that way if they love me
I know that they love me for real
I like being ugly, that way if they love me
I know that they love me for real
I like being ugly, that way if they love me
I know that they love me for realGo deeper

Go deeper
Go deeper
Go deepOh my God, that feels nuts on it's own
That shit feels like fucking
That shit feels like, that shit feels like some ego tripping shit
