

# I Look So Good (Without You)

Jessie James

Hey boy, I would have thought that  
When you left me I'd be broken  
With my confidence gone, so goneHey boy, I would have thought that  
When you said that you don't want me  
I'd feel ugly and sense something was wrongStanding in front of the mirror  
My skins never been clearer  
My smiles never been whiterI look so good without you  
Got me a new hairdo  
Looking fresh and brand new  
Since you said that we we're throughDone with your lies  
Baby, now my tears dry  
You can see my brown eyes  
Ever since you said goodbyeI look so good  
I look so good without you  
I look so good  
I look so good without youHey, I never would have thought that  
When you left me I'd feel sexy  
And so good in my skin againAnd I never would have known that  
I'd be dreaming so much better  
Without you in my headStanding in front of the mirror  
My clothes never fit better  
My laughs never been louderI look so good without you  
Got me a new hairdo  
Looking fresh and brand new  
Since you said that we we're throughDone with your lies  
Baby, now my tears dry  
You can see my brown eyes  
Ever since you said goodbyeI look so good  
I look so good without you  
I look so good  
I look so good without youNow baby, my body's looking better than before  
Ain't biting my nails since you walked out of the door  
I realize now I deserve so much more than what you give  
Than what you giveI look so good without you  
Got me a new hairdo  
Looking fresh and brand new  
Since you said that we're throughI look so good without you  
Got me a new hairdo  
Looking fresh and brand new

Since you said that we we're throughDone with your lies

Baby, now my tears dry

You can see my brown eyes

Ever since you said goodbyeWithout you

Got me a new hairdo

Looking fresh and brand new

Since you said that we're throughDone with your lies

Baby, now my tears dry

You can see my brown eyes

Ever since you said goodbyeI look so good

I look so good without you

I look so good

I look so good without you
