I Will

Chris Colston

Well itâ€™s hard to keep on movinâ€™ on
Out there searchinâ€™ for your soul
Youâ€™re tryna figure out which path to go down
You pray to God you find the one paved with gold
I Will shelter you in the rain
Iâ€™ll be there when youâ€™re feelinâ€™ blue
I Will leave you with a smile
Do my best to keep you sane
I Will always tell you nothinâ€™, whoa oh, but the truth
And girl if he donâ€™t care â€˜bout how you feel
Baby I Will, oooh
Youâ€™ve come a long way travelinâ€™ down heartache highway
Hit every bump in the road that you could
But you sent a prayer one night askinâ€™ for a change
I found you standinâ€™ in the middle of a thunderstorm
Sayinâ€™ â€œGod please no more pain.â€•
I Will shelter you in the rain
Iâ€™ll be there when youâ€™re feelinâ€™ blue
I Will leave you with a smile
Do my best to keep you sane
I Will always tell you nothinâ€™, whoa oh, but the truth
And girl if he donâ€™t care â€˜bout how you feel
Baby I Will
I Will shelter you in the rain
Iâ€™ll be there when youâ€™re feelinâ€™ blue
I will leave you with a smile
Do my best to keep you sane
I Will always tell you nothinâ€™, whoa oh, but the truth
And girl if he donâ€™t care â€˜bout how you feel
Baby I Will
