

I'm Not In The Mood (to Say No)!

Shania Twain

Yeah, okay
Don't wanna wait in line, uh, uh
It's such a waste of time, uh, uh, uh
Won't find me on the couch, uh, uh
Sleeping like a slouch, uh, uh, uh
I don't like sitting down doing nothing
I'd rather spend my time doing something
Ain't no need to plan it, jump right in and jam it
No need to say no, oh, oh, oh
(I'm not in the mood)
I'm not in the mood
(I'm not in the mood)
To be shy to stand by and not give it a try
(I'm not in the mood)
No, I'm not in the mood
(I'm not in the mood)
To stay home be alone face the night on my own
No, I'm not in the mood
(To say)
To say
(To say)
To say no
I won't be laying low, uh, uh
It's not my style to take it slow, uh, uh, uh
No, it ain't like me to slack, uh, uh
There's no time for holding back, uh, uh, uh
I won't be sitting down doing nothing
I'd rather spend my time doing something
Ain't no need to plan it, jump right in and jam it
No need to say no, oh, oh, oh, uh
(I'm not in the mood)
I'm not in the mood
(I'm not in the mood)
To be shy to stand by and not give it a try
(I'm not in the mood)
No, I'm not in the mood
(I'm not in the mood)
To stay home be alone face the night on my own
No, I'm not in the mood

(To say)
To say
(To say)
To say no
Uh, uh, mmm ha, ha
I'm jumping right in oh, yeah, huh
Jumping right in
Oh, I'd rather spend my time doing something
I won't be sitting down doing nothing
Ain't no need to plan it, jump right in and jam it
No need to say no, oh, oh, oh, uh
(I'm not in the mood)
I'm not in the mood
(I'm not in the mood)
To be shy to stand by and not give it a try
(I'm not in the mood)
No, I'm not in the mood
(I'm not in the mood)
To stay home be alone face the night on my own
No, I'm not in the mood
(To say)
To say
(To say)
To say no
