

# Anything (Viva!)

## Foetus

Fee fi fo fum

It takes two to tangle it takes one to come

Some things are better left unsaid, like

A pound of protection beats an ounce of lead

Fee fi fo fum

There must be some kinda romance in bein dumb

Find a belt fulla bullets, fill your head fulla dread

Float like a butterfly, sting like a manta ray

Fee fi fo fum

There must be some kinda romance in being dumb

'Cause the blind lead the blind lead the blind lead the

Blind lead the blind lead the blind ead the blind lead

The blind lead the blind

And every man for himself

You start to admire the flagrant disregard

For the sanctity of other peoples lives

By the filthy few in positions of power

Who go for the jugular in order to survive

Disinfect those dangerous rabid dogs

Make sure the kids stay in

'Cause if you wanna be immortal you gotta have something to trade in...

Tobacco chompin' soldier of misfortune in that battle they call life

With the warm soft breeze of santa ana whistlin round dem frail dry bones

I'm da cockroach in your tinseltown--

Cry you mercy! I am the law!

When the time runs out

When the money runs out

I can do any goddamn thing I want!

Get outa my sight

Get outa my way

Get outa my way

Get outa my way

Run the gauntlet north and south

March on up to the cannon's mouth

And say I can do any goddamn thing I want

Take the bull by the horns

Gonna slit me some throats on the white house lawns  
I can do any goddamn thing I want

I'm the cockroach in your tinseltown  
Cry you mercy--I am the law!  
And I can do any goddamn thing I want

Power makes pain so wear rhino hide  
If you see a white flash you better cover your eyes  
'Cause I can do any goddamn thing I want

Change your mind, mind your change  
Keep the enemy in focus and in your range  
And say I can do any goddamn thing I want

I can do anything!  
Anything!  
Anything!  
Anything!

Get outa ma way  
Get outa ma way!

I can do any goddamn thing I want  
I can do any goddamn thing I want  
I can do any goddamn thing I want  
I can do any goddamn thing I want

I can do anything!  
Anything!  
Anything!  
Anything!  
Anything!  
Anything!  
Anything!  
Anything!
