

# Go Shawty

## Electrik Red

Boy, you know I'm lovin' what you do  
Put your lovin' in my gun, I wanna shoot  
You're not the kinda guy that I don't wanna lose  
The way you stroke that got me all up under you Watch you go, giddy up, giddy up now  
First, you grind it slow, get it, got it  
Hit it like a pro, ooh  
Make my body explode Go shawty, go shawty, go shawty, go  
Go shawty, go shawty, go shawty, go  
Mo' shawty, mo' shawty, mo' shawty, mo'  
Tick, boom, explode I'm comin', I'm comin', I'm, I'm  
I'm comin', I'm comin', I'm, I'm  
I'm comin', I'm comin', I'm, I'm  
I'm comin', I'm comin', I'm, I'm I'm hopin' what you did ain't a fluke  
Caught one but I'm tryna catch two  
Now some of these guys ain't got a clue  
But you got me like, ooh, ooh So here's a toast, put it up, put it up now  
Sip, sip it slow, sizzurp  
'Cause after this we'll know  
Boy, I'm gone need some more, oh Go shawty, go shawty, go shawty, go  
Go shawty, go shawty, go shawty, go  
Mo' shawty, mo' shawty, mo' shawty, mo'  
Tick, boom, explode I'm comin', I'm comin', I'm, I'm  
I'm comin', I'm comin', I'm, I'm  
I'm comin', I'm comin', I'm, I'm  
I'm comin', I'm comin', I'm, I'm Ooh, that's it boy  
Ooh, almost there  
Aah, aah, aah, right there, boy  
Aah, aah, aah, touch there, boy Ooh, keep it goin'
