Master Celebrator

No Fun at All

Bow your head and fold your hands
Master celebrator
No one gets a second chance
Master master
Raise your voice and start to speak
Master celebrator
Climb the mountain to it's peak
Master celebratorBut I don't know, I don't know
Who knows
No one no one seems to do any better
When they cross the border
No one no one seems to do any better
When they cross the border line
Well I'm fineRaise your head and say the word
Master celebrator
Find a way to fool your herd
Master master
Fill their heads with empty phrases
Master celebrator
Look into their hollow faces
Master celebratorLooking back through the years
What history tells us
