Two Strong Hearts

John Farnham

Well
there's no need to analyse this kind of emotion'cause it comes naturallya simple case of feeliong love and devotion
so tell me tenderly:
I want to give my life to youI want to feel my blood run through youand oho
I want to touch you over and over and over again.We've got two strong heartswe stick together like the honey and the bee
you and me.
We've got two strong heartsreaching out forever like a river to the sea
running free.I feel there's no need for compromising my reputation
when you lead me astrayI'm proud to be a part of this fascination when I hear you say:
I want to be there to guide you
I'm gonna feel my love inside youand oho
I want to touch you over and over and over again.We've got two strong hearts
...We've got two strong hearts
...
We've got two strong hearts
...
We've got two strong hearts
...
