Can

Why cant we go away, just speeding out?
You just dont want to stay where you aim.
You cant depend and stay all night,
You cant often stay all night.Better say no more, woh, woh, woh, woh,
Let me free no more.Why cant we wait, stay where you haze,
You feel the storm, stay where you haze.
You're waiting then to start on out,
We cant depend where we stay where you mind.
Better way no more, woh, woh, woh, woh,
Let me free no more.Why cant we go or stay where you mind?
You can depend when you stay where you mind.
Well, then you go and stray away,
You just dont want to stay where you mind.Better way no more, woh, woh, woh, woh,
Let me free no more.
Let me free no more, let me free no more,
Let me free no more, let me free no more,
Let me free no more, let me free no more,
Let me free no more, let me free no more,
Let me free no more, let me free no more,
Let me free no more, let me free no more,
Let me free no more, let me free no more,
Let me free no more.
