# New World in My View

## King Britt

[Chorus]
I got the new world in my view
On my journey I pursue
I said I'm running, running for the city
I got the new world in my view

I got the new world in my view
On my journey I pursue
Oh, I'm I'm running, running for the city
I got the new world in my view

Come on, yeah, nonny
Help me to run this holy righteous place
Can't you yell then, save your calling
Well, he's knockin' at your door today

[Chorus]

(John, he's out of records?)
Oh, he suffered for Jesus Christ
They places him on an island called Atmus
He had a great revelation sign

[Chorus]

On my journey I pursue
I said I'm running, running for the city
I got the new world in my view
On my journey I pursue
I said I'm running, running for the city
I got the new world in my view

Twenty-first chapter revelation
John talking about his new world
Said, I saw a new heaven and a new earth
For the first heaven and the first earth were passed away
And thou will no more see

And John said
I saw a new Jerusalem coming down

From God out of heaven
Prepared as a bride
A dawn for a husband
Amen
You know J is a city that's set on the hill
Cannot be here
Fair enough
Paradise little city
Amen

So let us humble ourselves, dear one
Get ready for the new world
Prepare yourself to live in that holy city
That same city
That same kingdom
That Jesus was talking
To his disciples about
When he left them and gone back to his father
Don't forget it
Amen
Said let not your heart be troubled
Believe in God, believe in me also

In my father's house are many mansions
Everyone not so I would have told you
I'm going to prepare a place for you
And if I go
To prepare a place for you
I will come again and receive you unto myself
That's what I am, that you may be also

Now, tell me, dear one, why was Jesus?
He was standing on earth
Talking to his disciples
Amen
Promising them
That he's coming back for them
Amen
To live with them here on this earth
Amen
He's gonna live with you
In your human body
And He and his family
Amen

So don't get the Bible mixed up
You just keep that same old way that grandpa and grandma had
They didn't know any better
God winked at them and said
And they was well blessed for what they knew
And you gonna be cursed for turning the word down
Amen
Let the church say amen
Let's wake up now and get in line

[Chorus: x2]
