

Da Joint

EPMD

[Erick Sermon]

I make a million buck
Every six months and y'all
Hating my game saying my name they call
Me the E wrong things
Knowing I'm fly without wings
While some of y'all have to pull strings.
In this era I maintain the freak upon the beats
Master baselines of Raphael Saadiq
Lyrical mastermind a genius so don't snooze
No missions impossible ask Tom Cruise
I keep a joint lit when I have to spit
I rough paragraph, laugh when I'm busting yo' ass, who want it?
Come and see me, like 112
And I'll rock that bell with Fox and L
E-Dub, Mr Excitement, right
The poltergeist of rap so come to the light.
Yes, the recipient of this award goes to Moi,
The best qualified superstar.[Chorus: EPMD]
My squad stays on point like
Den en den den de den, It's the joint
Yeah my squad stay on point like,
Den en den den de den, Its the joint.

EPMD, its a world premier[Parrish Smith]
Its the joint, stay on point
Plus I'm feeling it
Niggas killing shit trying to duplicate the manuscript
That's impossible, pray like the gospel
Over coming set backs, and jumping over obstacles
Like Evil Kenevil, on point like a needle
EPMDs' like the Beatles, back with another sequel
To hip hop, check one two and you don't stop
Rap with mainstream R&B and pop
Now the worlds shocked
The E-doubles back with Mic-Doc
Like it or not we bout to turn it up another notch

My speeds put it down for my seeds
 Raw breeds, acres with the deeds, its the joint. My squad stays on point like
 Den en den den de den, It's the joint
 Yeah my squad stay on point like,
 Den en den den de den, Its the joint.

 A five year spread, and now we back like that
 How dare they, niggas sitting in they room with Brandy
 Way pissed off thinking how the can't stand me
 He rhyme Shawn for his Penn, talking
 Not looking, shoocken, a dead man walking
 P: You know me, from ripping shows wit my homie
 The one and only, Ginuwine like Pony
 You want a ride? Call me up when your lonely
