

# You're Gonna Miss My Loving

[Meredith Brooks](#)

You told me what I wanted to hear  
So I fell in love with you  
I believed that you were sincere  
Now you've got me where you wanted me  
Soon I'm gonna make you see You're gonna miss my loving when it's gone  
You're gonna miss my loving when it's gone Had to keep a distance apart  
But you swept me off my feet  
Now you think you've won my heart  
So you're taking me for granted now  
Soon I'll turn the tables around You're gonna miss my loving when it's gone  
(You'll come crying to me)  
You're gonna miss my loving when it's gone Now you may feel secure  
And you're as you please  
But soon you'll be begging on your knees You're gonna miss my loving when it's gone  
(You'll come crying to me)  
You're gonna miss my loving when it's gone You're gonna miss my loving when it's gone  
(You'll come crying to me)  
You're gonna miss my loving when it's gone You're gonna miss my love  
You'll come crying to me  
(You're gonna miss my love) You're gonna miss my love  
You'll come crying to me  
(You're gonna miss my love) You're gonna miss my love  
You'll come crying to me
