

The Hurt

Diego Boneta

I don't get high unless I'm being used
I'm never satisfied until I get a bruise
I don't want love, I don't want love
I want the hurt I chase the lion with my heart in my hands
I won't stop running till you make me your man
I don't want love, I don't want love
I want the hurt 'Cause when my heart starts breaking
And my soul's forsaken
Yeah, you know I can't get enough
When the room starts shaking
You can bet we're making
The roof fall down from above I don't want love, I don't want love
I want the hurt
I don't want love, I don't want love
I want the hurt, I want the hurt I'll be your match, baby, light me on fire
So you don't lose me when you're preaching to the choir
I don't want love, I don't want love
I want the hurt, I want the hurt I tried the sugar but it don't taste so sweet
I like that feeling when you sink in your teeth
I don't want love, I don't want love
I want the hurt, I want the hurt 'Cause when my heart starts breaking
And my soul's forsaken
Yeah, you know I can't get enough
When the room starts shaking
You can bet we're making
The roof fall down from above I don't want love, I don't want love
I want the hurt
I don't want love, I don't want love
I want the hurt 'Cause when my heart starts breaking
And my soul's forsaken
Girl, I can't get enough
When the room starts shaking
You can bet we're making
The roof fall down from above I don't want love, I don't want love
I want the hurt
I don't want love, I don't want love
I want the hurt, I want the hurt
