

# Peace Is Broken

## Alter Bridge

All the sorrows that you've known  
All the wars that you wage  
I'm bearing arms against your own  
As you throw your life away The peace is broken  
You did it all yourself with you and no one else to blame  
The peace is broken  
The trouble in your heart is self imposed and hard to tame  
The peace is broken. Oh! Oh can't you see what you've become?  
As you crawl to your own grave  
When everything is said and done  
You will find that it's too late, Oh! The peace is broken  
You did it all yourself with you and no one else to blame  
The peace is broken  
The trouble in your heart is self imposed and hard to tame  
The peace is broken All the sorrows that you've known, all the wars that you wage  
Lost to every worry every  
sorrow in your heart  
Everything is blurry now you've torn your world apart  
None of this will matter, not tomorrow just today  
Don't let this moment slip away The peace is broken  
You did it all yourself with you and no one else to blame  
The peace is broken  
The trouble in your heart is self imposed and hard to tame  
The peace is broken  
The peace is broken  
The peace is broken
