Something Blue

Bill Medley

Make yourself right at home
I'll put some music on
Who knows we might break down and have, us a laugh or two
But from the way my day's been running
I think I know what's coming
So give me, just a minute
'cause my heart ain't quite in it
Excuse me, while I slip into something blue(Chorus)
To get me in the mood
For getting over you
Before my world gets torn into
Excuse me, while I slip into something blue
Just keep sitting there like that
I promise I'll come right back
We'll make a toast, I think you know where the glasses are
And we'll stir up all the old emotions
Huh, together in slow motion
One more, for the good times
If this is for the last time
Excuse me, while I slip into something blue(Chorus)
To get me in the mood
Ahh, for getting over you
Before my world gets torn into
Excuse me, while I slip into something blue(Solo)
Uhh but from the way my day's been running
I think I know, I know what's coming
So one more, for the good times
If this is for the last time
Give me, just a minute
'cause my heart still ain't in it
Excuse me, while I slip into something blue
Ahh, hmm
